

BRACKLEY HOGWATCH - 07528 119416

A community conservation project dedicated to growing a strong hedgehog population in Brackley and the surrounding five-mile radius - Registered Charity No. 1188770

JANUARY HOG BLOG #7

January was a quiet month for hedgehog rescues and the sick and injured hogs already being cared for by rescuer, Julie Wade, are responding well to their various treatments. These hogs will stay with Julie until they have finished being medicated and then either fattened up by her, for release in spring, or go for overwintering with a foster carer.

The overwintering hogs being cared for by trustee, Tracey French, and her team of foster carers are also progressing nicely and gaining vital body weight. All hogs, deemed fit enough, will be released back into the wild where they belong, in spring when the weather has warmed up.

The trustees, rescuers and volunteers at

Brackley Hogwatch would like to **THANK EVERYONE** who answered our FB plea in January for donations of food. We were absolutely overwhelmed by the volume of food and vital supplies you donated to us as well as all the donations of money we received.

As a charity, run by volunteers, we rely entirely on fundraising and donations from the public and without your support we could not continue. **THANK-YOU!**

Please continue to put out kitten biscuits or meaty dog/cat food and shallow bowls of fresh water in February as we are still receiving lots of sightings of hedgehogs foraging out at night and visiting feeding stations. This supplementary feeding will be much appreciated by any visiting hungry hog, and they'll love you for it!

The hedgehogs in our care would like to say thank-you to everyone who donated food, money and supplies during January. They all have full stomachs and are looking very content.

DONATIONS – would be gratefully received as we rely entirely on local fundraising and donations. These can be made in several ways:
